Group Term Life and Accidental Death & Dismemberment Insurance

Our Group Term Life and Accidental Death & Dismemberment Insurance program offers many combinations of coverage options to meet both Employer and Employees' insurance needs. Employers can elect to purchase basic coverage for their employees, (such as a multiple of salary benefit) or a flat amount. They can also offer a Voluntary plan where employees choose the benefit amount, they wish to purchase, often without needing to provide evidence of good health. These products may be offered together or on a stand-alone basis.

Term Life Insurance [Information Here](#)

This is life insurance coverage where the benefit is payable only if the insured dies during a specified period. This coverage is less costly than other types of life insurance as there is no cash value build-up. This insurance option is fully funded by the employee, with no district contributions.

Group Voluntary Short- and Long-Term Disability [Information Here](#)

This coverage is made available to eligible employees and union members on a voluntary basis. This Voluntary Disability product is priced with Attained Age rated benefits and provides flexible plan design options for income protection that will help employees cover expenses while they are disabled. This insurance option is fully funded by the employee, with no district contributions.

Petplan[®]
pet insurance

What is pet insurance?

- **Pet health insurance** helps you pay for unexpected veterinary expenses due to accidents or illnesses. So, if your pet gets injured or becomes ill, Petplan helps pick up the bill. For more information about how Petplan pet insurance can help protect you against unexpected vet bills, visit our **[Why Petplan page.](#)**

- **Why do I need it?**

- Every six seconds, a pet parent is faced with a vet bill for more than \$1,000. And one in three pets will need unexpected veterinary care each year. Petplan pet insurance can help provide peace of mind that should your pet get sick or injured, your costs can be covered.

What is a 403(b) plan? A 403(b) plan, also known as a tax-sheltered annuity plan, is a retirement plan for certain employees of public schools, employees of certain Code Section 501(c)(3) tax-exempt organizations and certain ministers. A 403(b) plan allows employees to contribute some of their salary to the plan. The 403(b) plan is in many ways similar to its better-known cousin, the 401(k) Plan(s). Each offers employees a tax advantaged way to save for retirement.

To enroll in a 403B Plan please contact a vendor from the list of approved vendors on the next page. Once you open an account, please fill out the [enrollment form](#) and send to Human Resources.
